**Length – 120', Width 13' 5", Height – 15' 5", Weight – 102,000 pounds**

Carrier will be responsible for routing and checking with the department for updates prior to move. Permit is valid for travel on Henry County Secondary Roads only with non-posted bridges.

It will be the responsibility of the carrier to route themselves around low clearances, construction projects, embargoed roads and bridges. If carrier demonstrates inability to self route, permit will be denied.

Permits can be issued only for transporting, single articles that exceed statutory size unless the inclusion of additional articles does not cause the size or weight to further exceed the statutory limits.

Disclosure Statement: The information furnished on this application will be used by the Henry County Secondary Road Department to prepare and issue permits. All information applicable to a given permit is required and is public information. Failure to complete the application as required will result in denial of permit. Permit issuing authorities will not be responsible for any damages that are the result of the move. The State of Iowa, the Department of Transportation, and any other permit issuing authority assume no responsibility for the property of the permit holder. Applicant must follow Iowa General Provisions for oversize load permit including insurance, lighting and escort requirements.
